and we are receiving a cordial
welcome everywhere. There is a
great amount of industrial activity
going on everywhere, especially
in the railway system. The weather
is cooler here in Manchuria. We
leave today for Harbin, then to

expect to be home November 2nd.

This is the first clean letter post
at which we have stopped. Managua,
Matagalpa, La Libertad and San Salvador
20 mi inland where we went by auto,
all were conspicuously filthy. Yet it
has been a wonderful experience.
The flowering trees & shrubs are won-
derful, and so many tropical fruits
with which we have not been fa-
miliar except by names. The markets
the stores are so attractive especially
at San Jose. My niece joins me in
love & sincere appreciation of all things
Nicaragua which we shall not forget. Love
to Corinto & other friends. Sincerely
