Dear Friends,
I have just received your letter
and I am glad to hear from
you. I hope you are all
well and happy. I have
not yet received your
letter but I know when
it comes I will be glad to
hear from you. I am
still in the hospital and
am not yet able to
write. I am glad to hear
from you and hope you
are all well. I will write
again when I am able to
do so. I love you all.

Hello C. B.

I am here at a short rest
but you would like to be in. I have
shots here from four days. I have taken
my place yet but the day has three of the
great places in day. We are in a tent camp & just
finished cleaning my gun and myself. I like
to be with you soon. Write to me at
C. B. See you
