Philatelic Expert

Syracuse, New York, 2017.01.06.

ALBANIA, 1913.

I have examined the postage stamp issued under authority of the Vlore Government of Albania in June of 1913, Ottoman Empire 10 paras green of 1909, with Behie red overprint, handstamp overprinted in black "Double-headed eagle - SHQIPËNIA", Scott Catalogue #13A; Michel Catalogue #A12; Stanley Gibbons Catalogue #12, used, attached to a small piece of envelope paper, with grey-green pattern on reverse, cancelled and tied by part of a double-ring datestamp "VLORE / SHIPENIA / ...", a colour reproduction of which is below, in true size, and am of the opinion that:

The stamp and its handstamped overprint are genuine in all respects, and originated on this fragment. The stamp is cancelled with a genuine postal device. The stamp is in sound condition, being free from hidden faults or repairs at this time.
