Gold Coast stamps

All stamps are mint, in holders, and displayed on hand-drawn pages in their own binder.

Whether or not any have been hinged is unknown at this time.

Scott has revised the postage due listings, so that page needs to be split into two pages.

There is no page for Scott #9 since only one or two are known to exist.

There are no Scott numbers 96 and 97.

Horiz lines are used to group sets of stamps.
