**This is unusual to be able to put together a grouping of First Day Cover.**

**Paul B. Slosson was the owner of a stamp company, The Star Stamp Company in Minneapolis, Minnesota.**

**Prior to that office he worked out of Aberdeen, South Dakota.**

**It is common for a dealer to send himself a First Day Cover from his home town.**

**On the next few pages you will see a number of First Days sent to him by several businesses in this city and nearby it.**

**Weschckce was from St Paul, MN and an officer of The Adlerika Company, a drug manufacturer. As an avid stamp collector, he produced this First Day Cover for the Norse-American Centennial being held in St. Paul, MN. during the period June 6-9, 1925.**

**His use of bi-colors, similar to the stamps being issued, and the overall use of the envelope for a design. It was reported that he produced about 200 covers. He sold the cancelled envelope for 60c each or two for a \$1.**
