*We strongly recommend that the successful buyer of this lot get a certificate from a competent and recognized expertizing authority (PF, PSAG, PSE or Crowe are the best). This is a last minute consignment, we examined it carefully and believe it is genuine as described, however a certificate would be useful insurance, especially if the buyer wishes to sell it some day. In this case, since we did not have time to get it certified before the sale, we are waiving our usual requirements for full payment in advance. Rather, if the lot is sent for certification, the buyer need not pay us until a satisfactory certificate is received.*
