We note a few Province of Canada issues (including used #7 and 8), Large and Small Queens, Queen Victoria Jubilees mint to the 50¢, Quebec Tercentenary issue complete mint (mostly never hinged), King George V Admirals complete (all but 3 are never hinged), all the later King George V definitive sets complete never hinged (yes, including the 50¢ Blue Nose and \$1 Parliament etc.), King George VI complete less only a few stamps but including the \$1 values, Queen Elizabeth II nearly complete mint to 1978, plus extensive airmail and other back-of-the-book. Only a few small faults noted, mainly on the earliest issues (as would be expected), but these *have not been included in the total catalog value*. Extensively never hinged even in the Queen Victoria issues. Centering averages F-VF. All in all a nice collection for a serious collector of Canada or to break down for stock or online sales.
