Space Exploration and Moon Landing, 1962-1979, an interesting and unusual collection of art, memorabilia and medals. Includes a Paul Calle signed lithograph: a limited edition color 13 x 10 lithograph entitled *The Conquest of Space*, numbered 8846/15,000, signed and dated in the lower border in pencil by the artist, "Paul Calle, 1979." Nicely matted and framed with twelve space-themed US postage stamps, including the 1967 and 1969 stamps designed by Calle, to an overall size of 21 x 18. In fine condition. Accompanied by the original certificates of authenticity from the Franklin Mint. The lithograph was produced by the Franklin Mint in 1979 to honor the ten-year anniversary of the moon landing. A nice limited example from Calle, with COA.

Astronaut James Lovell Apollo 13 Ltd edition autographed Mars Pathfinder Stamp matted and framed with COA.

Plus approximately 50 medals commemorating various space missions and the famous moon landing of 1969, some silver, we estimate silver content of around 7 troy ounces. Also included are some First Day Covers and face value stamps of forever and higher valued stamps all space related. This is an exceptional lot for the Space enthusiast!

The Scott catalog notes "although perforated, these stamps were usually cut apart with scissors. As a result, the perforations are often much mutilated and the design is frequently damaged." The example here is a true gem, a rare issue and in extremely rare quality.

Only 179 were sold of both the hard paper and soft paper special printings of the 30¢, and the Siegel census indicates only 52 of the hard paper 30¢ are available to collectors.
